

John is away 24th April to 3rd May, and 12th June to 20th June.

Jobs

- John to label beds before his holiday
- Potatoes - main crop - plant using trowels, 6 inches deep, spacing 15 inches, 4 rows per bed, 2 ft apart. Any remaining will go between the early crop beds.
- Manure - Trevor W to speak to Ken again and John W to speak to Trevor the farmer to deliver a load behind the wall.
- Hoeing paths and beds regularly to keep on top of the weeds
- Cold frames - need servicing, especially the covers
- Black Plastic to be lifted
- Pea Cage needs to be erected within the next month

Watering

Ashley to update the website rota as below, starting from Thursday 18th April:

Sun	Ray B	Ashley & Claire
Mon	John F	Michael T
Tues	Team	Bob S
Weds	Ray B	Robin S
Thurs	Team	Trevor W
Fri	Tim B	Tim B
Sat	Team	John W

Holiday Cover:

- Tue 23/4 Eve John W
- Tue 30/4 Eve Robin S
- Sat 27/4 Eve Team

Hot weather expected over the next 10 days so evening closer to check the newly planted Leeks, Carrots & Parsnips to check if needing to be watered on Sun, Mon, Wed, Fri. Team to water on work days.

Ray to attach hoses to each watering station so that we cover the whole garden with the existing hoses.

The water butts on the 1st polytunnel to be fixed and moved around the side off the path.

Mowers / Rotators

- David Pile to service and we will put the spare one's up for sale on the Open Day (29th June).
- Remaining mowers - Qualcast (AB), Mountfield (Secure Store).
- Remaining Rotavator's - Trevor's to be stored at home

Open Day

- Label all beds
- Uncover mesh on beds
- Modules full in poly tunnels
- Info sheets on No Dig, Mesh etc.

To Buy
